

Qualification Specification

GQA Level 2 Diploma for Automotive Glazing Skills

Qualification Number: 610/4713/7

Who is this qualification for?

This qualification is aimed at individuals wishing to prove they have the level and range of knowledge and skills to carry out specific aspects of Automotive Glazing and related activities.

Candidates for this qualification will be involved in one or more activities in Automotive Glazing. The qualification is structured so it is appropriate for those employed in the mainstream Automotive Glazing industry and also those who carry out this type of work in a Bodyshop setting.

This qualification is at Level 2 and is one of a suite of qualifications in Automotive Glazing and ADAS calibrations at both Level 2 and Level 3

Entry requirements

There are no formal entry requirements for learners undertaking this qualification, however individuals will need to be employed in a role that gives them suitable opportunity to meet the qualification requirements with evidence derived from the real life working environment.

Qualification support

This qualification has been designed and developed by GQA Qualifications with industry support.

Qualification achievement

Individuals can select the relevant unit(s) to align with their occupational role and duties.

The minimum credit value of the qualification is 5 credits.

Qualifications are now required to indicate the total qualification time (TQT), this is to show the typical time it will take someone to attain the required skills and knowledge to meet the qualification criteria. The minimum TQT for this qualification is 50 hours.

Qualifications are also required to indicate the number of hours of teaching someone would normally need to receive in order to achieve the qualification. These are referred to as Guided Learning Hours (GLH). The minimum GLH for this qualification is 20

The unit of assessment sets out learning outcomes which describe what learners need to understand, and the assessment methods to be used. On successful completion GQA Qualifications will issue a certificate complete with the learner's name, the qualification and unit title and the credits achieved.

Qualification Structure

Qualification Title:		GQA Level 2 Diploma for Automotive Glazing Skills
