

Qualification Specification

SVQ in Glass and Glass Related Distribution and Warehousing at SCQF

Level 6

Qualification Number: GT5V 46

Who is this qualification for?

This qualification is aimed at those who undertake activities in the distribution and/or warehousing of glass and glass related products.

This qualification is at SVQ Level 6, although some units may be at different levels.

This qualification is aimed at those who are fully trained and experienced in a wide range of roles that may involve decision making, quality checks, supervising and supporting others.

In this qualification there is also the opportunity for making contributions to improvements in the performance of individuals, and in working practices and procedures.

Candidates may also work closely with internal and external customers and have well-developed knowledge of the organisation worked for and their industry.

Candidates for this qualification will need to contribute to Company objectives, follow health and safety guidelines and have an understanding of the activities within the Organisation as a whole in addition to the specific duties involved in their job role.

Due to the wide range of job roles and the diverse nature of organisations in the industry it is difficult to give a definitive list of job roles the qualification may be appropriate for, but Candidates could have jobs titled:

- Warehouse Manager
- Warehouse Supervisor
- Team Leader
- Senior Warehouseman
- Senior Warehouse Person
- Stock Supervisor
- Stock Controller
- Delivery Coordinator

Qualification achievement

It is not expected that all workers will complete exactly the same tasks, so the qualification has been designed to allow flexibility and in turn, as wide an uptake as possible.

Individuals must complete the 3 mandatory units and a minimum of 3 units from the optional units.

The unit of assessment sets out learning outcomes which describe what learners need to be able to do and understand. The learning outcomes are defined by assessment criteria which are used to assess competence, expressed as skills achieved and learned knowledge and understanding, to achieve the units. GQA Qualifications will issue a certificate complete with the learner's name, the qualification and unit title and the credits achieved.
